

# 11. Refuse and Recycling

The following answers were given to the questions asked in this section:

	Yes	No	Did not answer
Do you find that the weekly refuse collection is reliable and provides a generally satisfactory service?	334	8	5
Do you separate compostable waste from other waste?	209	126	12
Do you take bottles to a near recycling centre?	252	84	11
Do you take cardboard to a near recycling centre?	168	163	16
Do you take tins and/or cans to a near recycling centre?	97	230	20
Do you take newspapers for recycling?	252	84	11
Do you capture rainwater for garden or other use?	227	110	10

25 households are very ecologically friendly answering yes to all recycling questions. 71 households answered yes to all but one of the recycling questions and 137 households (39% of all households answering) answered yes to all but two of the recycling questions.

In a separate question those who take newspapers for recycling were asked if they take them to the recycling bins at Hanley Swan Primary School. Of the 252 that take newspapers to recycling bins only 91 (or 37%) use the bins at the School.
