

7. Roads and Pavements, Traffic and Transport

Conclusions

- * The roads are well maintained.
- * Parking is a problem particularly at the Village Stores in Hanley Swan but also in Church End.
- * Junctions and visibility are a problem at the Village Stores, Blackmore End and at Picken End.
- * The major issue is speed of traffic.
- * Pavements could be improved.
- * Facilities for cyclists could be improved.
- * Consideration should be given to safe crossings.

Objectives

- * Review traffic speed regularly with the relevant authorities.
- * Regularly review parking and visibility at Hanley Swan Village Store with the relevant bodies.
- * Review extending and improving facilities for cyclists and walkers.
- * Consider what actions are necessary to support safe ways to school.
