

8. Energy and Other Utilities

Water and Drainage

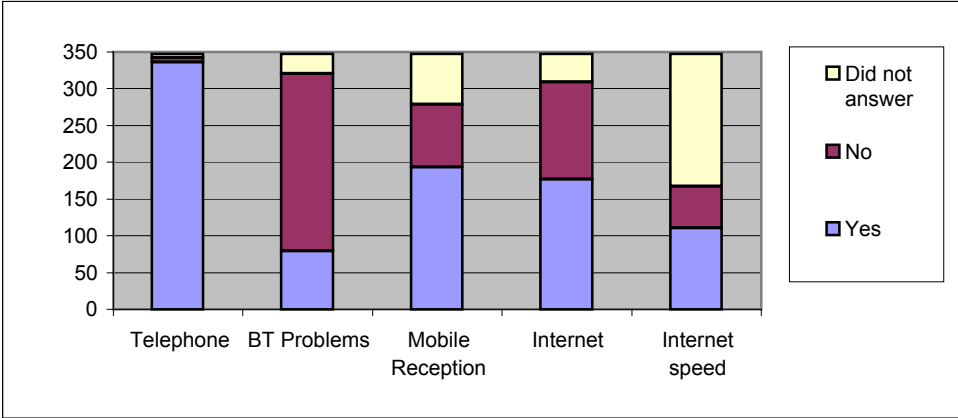

Conclusions

- * Not everyone has mains water.
- * For those who have mains water and/or mains drainage there are a number who have problems.

Policy Statement

- * Inform Severn Trent of the results of the survey.

Telephone, Mobile and Internet

Conclusions

- * A significant number of households have problems with their British Telecom telephone line.
- * Mobile reception could be improved, as could Internet connection speed, the latter being of concern to a majority of those who work in the Parish.

Objectives

- * Inform BT of the results of the survey.
