

# 9. Communication

## Conclusions

- \* A very significant number do not think that the Parish Council do enough to communicate their activities.
- \* 156 out of 347 respondents, and 294 who answered the question, use the internet.
- \* A significant proportion of new arrivals did not find it easy to find out information about the Parish.
- \* Those in the Blackmore Park Road area do not feel part of the Parish.
- \* Virtually all respondents want good communication

## Objectives

- \* Ensure that the Parish website contains all the information residents require.
- \* Ensure the information on the website is also available at the Post Offices and is kept up to date.
- \* Consider re-branding Parish Link as the community newsletter, to include where information can be obtained on all aspects of Parish life and ensure all residents know of its availability and can obtain a copy.
