

12. Crime

Conclusions

- * By and large inhabitants feel safe in their home and in the surrounding area.
- * A number have been victims of crime and nearly half of those did not feel that the police responded appropriately and effectively.
- * Nearly 50% of those who answered the question feel litter is a problem in the Parish. A very high percentage of those who live in the Hanley Castle village area feel this is contributed to by the High School.
- * There is some vandalism in the Parish.
- * There are some illegal drug users in the Parish.

Objectives

- * Discuss with the police the results of the survey.
- * Inform Hanley Castle High School of the survey results.
