

5. Education

Objectives

- * Communicate the results of the survey to the teachers and governors of the schools.
- * Discuss with the District Council and the Parish Council the provision of cycle ways in the Parish on the routes to schools to facilitate the journey to school.
- * Publish a list of courses, clubs, classes and activities on the Parish Website, at the Post Offices and in the Parish Newsletter.

Conclusions

- * By and large the inhabitants are happy with the education their children are receiving, especially so with the Primary School.
- * There are some concerns about journeys to school and the provision of cycle ways on roads/verges to the schools would be welcomed by many.
